24 hour phone - (765) 529-4890 - Web Site: www.henrycoema.org

The Henry County Office of Emergency Management plans for and supports emergency operations across the county during times of disaster.

Our mission is to better prepare Henry County for the eventuality of natural and man made disasters.

Mitigation - Preventing future emergencies or minimizing their effects

Preparedness - Preparing to handle an emergency

Response - Responding safely to an emergency

Recovery - Recovering from an emergency

In an effort to create some interest and excitement about being prepared we have started a program called Zombie Preparedness! Because lets face it, if you're prepped for zombies you're probably prepared for just about any other disaster! With the support of the CDC and Homeland Security we have information and some supplies to get us started but we need your help!

We will be hosting a Zombie Walk, Costume Contest and FREE prize raffle of preparedness items on Saturday, October 10, 2015 in Knightstown! One of the forms our entrants will need to complete involves visiting local businesses, the form can be found at:

http://www.henrycoema.org/EMA/Zombie_Preparedness.htm.

We would also like to have some really nice prizes for our winners that are sponsored by vendors in our county!!

We hope that you would like to be a part of what we believe is going to be a fun and effective way to spread the word! Thank you so much for your time!

Sincerely,

A handwritten signature in black ink that reads "Ronald D. Huffman".

Ronald D. Huffman
Director, Henry County Office of Emergency Management
