

Hazardous Chemical Research Datasheet

Chemical Name: _____

Formula _____

Manufacturer <input type="text"/> Phone <input type="text"/> CAS <input type="text"/> Physical State <input type="text"/> Reportable Quantity <input type="text"/> Incompatibilities <input type="text"/> Solubility <input type="text"/> Foam <input type="text"/> Foam Type <input type="text"/> Flammable Range <input type="text"/> Hazardous Polymerization <input type="text"/> Vapor Density <input type="text"/> Boiling Point <input type="text"/> Ignition Temp <input type="text"/> Flash Point <input type="text"/> Specific Gravity <input type="text"/> Melting Point <input type="text"/> Autoignition <input type="text"/> Weight <input type="text"/> IDLH <input type="text"/> TLV-CEILING <input type="text"/> LD50 <input type="text"/> TLV/TWA <input type="text"/> TLV-SKIN <input type="text"/> LC50 <input type="text"/> STEL <input type="text"/> TLV-ODOR <input type="text"/> Target Organ <input type="text"/> Signs Symptoms of Exposure and MEDICAL TREATMENT Information <input type="text"/>	UN I.D. Number <input type="text"/> Guide Page <input type="text"/> UN Hazard Class <input type="text"/> Hazard Category <input type="text"/>	NFPA 704  Special Information <input type="text"/>
Initial Evacuation Distances LARGE SPILL <input type="text"/> SMALL SPILL <input type="text"/> FIRE <input type="text"/>		

Local Supplier/User **Phone**

Decon Type and Procedure

Decon Agent 1 <input type="text"/>	Decon Agent 2 <input type="text"/>
------------------------------------	------------------------------------

PPE Selection

LEVEL OF EXPOSURE	SUIT	BOOTS	INNER GLOVE	OUTER GLOVE	TAPE	RESPIRATORY PROTECTION
CONTACT W/Product	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
NO CONTACT ENTRY	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
DECON-Primary	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
DECON-Secondary	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
